FAPSTC & IBSA Partnership

The Financial Administrative and Professional Services Training Council (FAPSTC) and Innovation & Business Skills Australia (IBSA) have established a partnership arrangement in Perth.

The partnership supports the delivery of vocational education and training via a suite of tools and resources to boost effectiveness of workforce training and skills development.

IBSA's learning resources are designed to facilitate best practice teaching and learning with the highest level of compliance.

FAPSTC and IBSA have joined forces to distribute the extensive range of workbooks, facilitation and assessment guides, as well as eLearning resources for the "Business Services", "Financial Services", and "VET Education" sectors.

FAPSTC will have access to the whole range of learning and assessment materials including access to eLearning materials for use by practitioners in delivering quality training.

FAPSTC looks forward to assisting IBSA distribute these quality products to Registered Training Organisations / Schools in Western Australia.

Regular forums will be planned to showcase these quality resources, and interested parties can contact Greg Bridge directly on 0466 852 408.

New Funding Model for Training in WA

As you are aware, the Department of Training and Workforce Development has been developing an entitlement model for training under the national vocational education and training reform agenda.

This email is to direct you to further information on the model and on the way training will be subsidised and delivered in Western Australia.

Future Skills WA commenced on 1 January 2014.

Detail on Future Skills WA, including a number of Fact Sheets, can be found on the Department's website, [please click here](#).

This information covers such questions as:

- Why Future Skills WA, and what will it do?
- What does a guarantee of a training place mean?
- How are State training priorities determined?
- What are the State training priority qualifications?
- What are the training subsidies and fees under Future Skills WA?

If you have any questions on the new funding model, it is suggested that you contact your preferred Registered Training Organisation. If you don't have one, please contact the Financial Administrative & Professional Services Training Council.

2014 Training Providers Forum

The Training Providers Forum - WA's leading forum on training and workforce development - will be held on 19 and 20 May 2014.

This two day conference and exhibition will provide the latest updates on training and workforce development and showcase examples of innovation and good practice. This is a great professional development and networking opportunity for all training professionals.

Training Providers Forum is aimed at all those involved in the planning, delivery and assessment of vocational education and training (VET) in Western Australia. It is anticipated that approximately 600 delegates will attend, from private and state training providers, industry skills councils, schools, universities and other government departments.

Corporate Champions – Information and business breakfast invitation

The Department’s Workplace Essentials project team has recently been made aware of a Commonwealth funded program called “**Corporate Champions**” which is highlighted on the Workplace Essentials website: <http://www.workplace-essentials.dtwd.wa.gov.au/news-articles/experience-corporate-champions>

The program provides expert assistance and guidance to businesses with regard to recruitment and retention practices aimed at supporting mature-age workers.

The team recently met with one of the providers of the Corporate Champions program, the Franklyn Scholar group who are a national RTO and operate in WA.

We have been informed that Franklyn Scholar are holding a Corporate Champions business breakfast on 20 February 2014.

More information can be found at http://franklynscholar.edu.au/workforce_development/Corporate_Champion.pdf or if you have any questions please contact delene.wood@franklynscholar.edu.au
